NOTES:

Squigs is a sweet and delightfully dopey Rottweiler with a lovable personality and a full tail that's ready to wag its way into your heart! This charming girl has plenty of love to give and is ready to find a forever family to call her own. We're not quite sure if Squigs is potty trained, so her new family should be prepared to offer a little guidance, patience, and consistency as she settles into her new home. With her goofy personality and endearing charm, Squigs is sure to bring plenty of smiles to her future family. If you've got a soft spot for Rotties, especially ones with a full tail, Squigs might just be the girl for you!
