NOTES:

Toodles is a sweet and outgoing gentleman who loves making new friends and soaking up all the attention he can get! This affectionate boy is a big fan of pets and is always happy to spend quality time with his favorite people. Toodles is more of a people-cat than a cat-cat, so he may be happiest in a home where he can be the center of attention without having to share the spotlight with other felines. With his friendly personality and love for affection, Toodles is sure to make a wonderful companion. If you're looking for a social and lovable kitty to shower with attention, Toodles might be your perfect match!
